

Summer Adventure Week 2025 Presented by Volo Natural Learning Community

Join Us for an Unforgettable Week in the Wasatch Mountains!

Are you ready to explore, discover, and create in the Wasatch Mountains near Park City, Utah? This summer, Volo Natural Learning Community invites children ages 7–14 to experience an extraordinary week of outdoor adventures, hands-on activities, and new friendships.

Dates: June 16–20, 2025

Times: 9:00 AM – 2:00 PM

Ages: 7–14

Location: 3700 Sage Hollow Road, Kamas

(in Garff Ranches; 40.65861046952917, -111.34858157928768)

Or meet and carpool from 4554 Forestdale Rd, Park City.

We may travel to other interesting locations on some of the days.

About Volo Natural Learning Community

Volo Natural Learning Community fosters curiosity, creativity, and a deep connection to the natural world. We believe in the power of experiential learning, where children explore and grow through hands-on activities, collaborative projects, and time immersed in nature. Our programs inspire children to engage their senses, expand their minds, and build lifelong memories in a supportive and nurturing environment.

Daily Themes and Activities

Day 1 (June 16): Secrets of the Forest

Uncover the hidden wonders of the forest! Identify plants and animals and build mini ecosystems with natural materials.

Day 2 (June 17): The Magic of Rippling Waters

Dive into the world of streams and ponds! Learn about aquatic habitats and the water cycle while creating water-inspired art.

Day 3 (June 18): The Shifting Earth Chronicles

Discover the dynamic processes shaping our mountains! Investigate erosion, geology, and tectonic activity.

Day 4 (June 19): Into the Wild: Tracks, Trails, and Tales

Follow the tracks of wildlife and explore their adaptations! Create animal masks and share stories about their survival.

Day 5 (June 20): The Nature Explorers' Festival

Celebrate a week of discovery and creativity with a day of team challenges, mural-making, and a talent show.

At Volo, we prioritize creating experiences tailored to each group. Activities listed here may be adjusted to suit the group's interests and dynamics.
